

Sorry, no trick or treating here tonight!

Our dog is easily frightened by unexpected visitors. We ask that you **kindly skip this house** for Halloween.

Thanks for your kindness!

Please don't knock, you're too scary for the dog!

Our dog gets a little scared by loud
knocks and spooky surprises.

**We don't want you to
miss out, so please help
yourself to some treats.**

Thank you for your
understanding.
